## Intimations.

THE ROYAL,  
CITY HALL, HONGKONG.

MR. CARSON'S MANSTRELS,  
of 414 Nibbs only, previous to their  
run in Shanghai.

And to Great Success the First Night's  
Programme will again be Presented.

THEY WILL NOW COME ON THE MOUNTAIN  
TOUCHING DICTIONARY OF THE AGE.

WONDERFUL CABINET BOX, AND  
HANDFUL TRICKS,  
including a performance in London  
to be produced precisely as performed by  
MARKETTES and COOKS and DR. LINDS,  
at the

MYSTIC BATH, HONGKONG.

It is acknowledged to be the most celebrated  
MYSTIC BATHMASTER OF THE  
AGE.

Wonderful doings have been mystifying  
the people for the past two years, and are  
still unaccounted for.

During the Time of the Pharaohs  
were such profound astonishment!

(says the London Times)

These prodigies are seemingly akin to the  
Tutank! A box is placed upon the stage, and  
in a liberty to be removed the same  
is taken out, then put inside the box,  
next carefully looked by every gentleman  
the latter retaining possession of the key.  
The box is further examined by the  
Myriad of those they choose. And lastly,  
the box may be sealed. The Cabinet is now a

inside, is placed in the receptacle for the Cabinet. In a few minutes the E

standoff trick is equally clever and astonishing. A member of the Police Force will be required to bring a pair of his regulation handcuffs, by the same in the usual manner to Mr. ... wrists. The latter will free himself from

Dr. CARSON, during his recent trip to

Entertainments, and was so much impressed  
by the *expansive* of the strange manifestations gen-  
erated to Spiritualism he then saw, that  
he aimed to purchase the right of exhibition  
of these marvellous feats in the East.

Illustrations of so called Spiritualism  
 prohibited for the second time in Hongkong

effects are far more marvellous than any that have lately been said to have been had in Europe and America, and described as "PSYCHIC FORCE."
